

lon 8

II

Equal eyes get equal tracks
by chance unshroud the clouded path
arising exponential math
a life times height of power that
exists for all to drink the flask
infinite q elixir has
a fire class beyond the mask
of widespread lighted conscious crash

in those who lack a bank to cash
a bomb of thought implosion brought
aplomb a link to unseen glass
forever drop if know where at

Omni

Visualize of truest I

image behind movement to write

of life between discover sight

all action ink each moment strike

Code

A custom locked

allotted gleam

return abstract

relevant c

within formation

binary

side information

one may read

door open key

of force in root

front surface bring

cut light the noose

unshaded room

a path in view

from sight to eye

design the use

Sinewave

Upright towers beacon power
sound vibrations tune in blatant
frequencies up bring the latent
with each placement of what's taken
palpable signed on the pavement

solar plexus central cadence

Ghosts

Kingdom low and on the street
creatures that live in fear to sleep
from predators with starving teeth
born into cycle search repeat

would one trade possibilities
become part of creatively
experiencing wiring
electric sense and energy

Growth

Hear nature knock

potential sought

of ancient tree

formed by a seed

if watered keen

most any thought

envision freed

reality

when everything

started mind seen

little can be

impossible

the laws are full

of proof plenty

Invisible

There are no words
its seen with self
and no one else
nothing explains it
quite like tree
and sun

can't argue
Mystery
but there are clues
that all can see
plus secrets that
wait to be used

from shift of view
off channel news
and stream of main
street lit insane

a lift remains
awaiting take
abundant state
nexus high rate

Entanglement

Inner circuitry directing

wildfire continuum

magnetic field of streams connecting

action mapped can turn to flood

in numbers spun each second one

result below what's really done

Signals

Corner camera

pour in hue

record conjure

all ways outward

red lines allure

direct author

what work was chose

to sine ones own

blood written stone

n angles wrote

reflections shown

take sum to know

to see the glow

how truly goes

from end to start

life spectrum art

now moving on

what is til gone

To Go

Keep wake to go expand remains
in sleight disperse of onward planes
lit up from now a late pilot
a wider flight in every stitch

with everything you do and say
reveal something about the way
you are a network charge today
that never fades iota stay

—

Opulence find

in depth align

planets in mind

drawn from the bank

down inner lane of music sharpest

harp exclaims

a conscious

cascading state

the place around will start to fade

a sense pervade open freeway

^

Eyelid night grid out of language

transcendental shuttle engage

landing realm unknown to earth

will resonate what can't be heard

this silent hertz uncovers worth

where worlds of words would never work

Upside prism shadow schism

airwave share tectonic rhythm

forward motion only system

echo axis slope of wisdom

Long division down in specter

hidden scope of higher sector

intertwined with Mind director

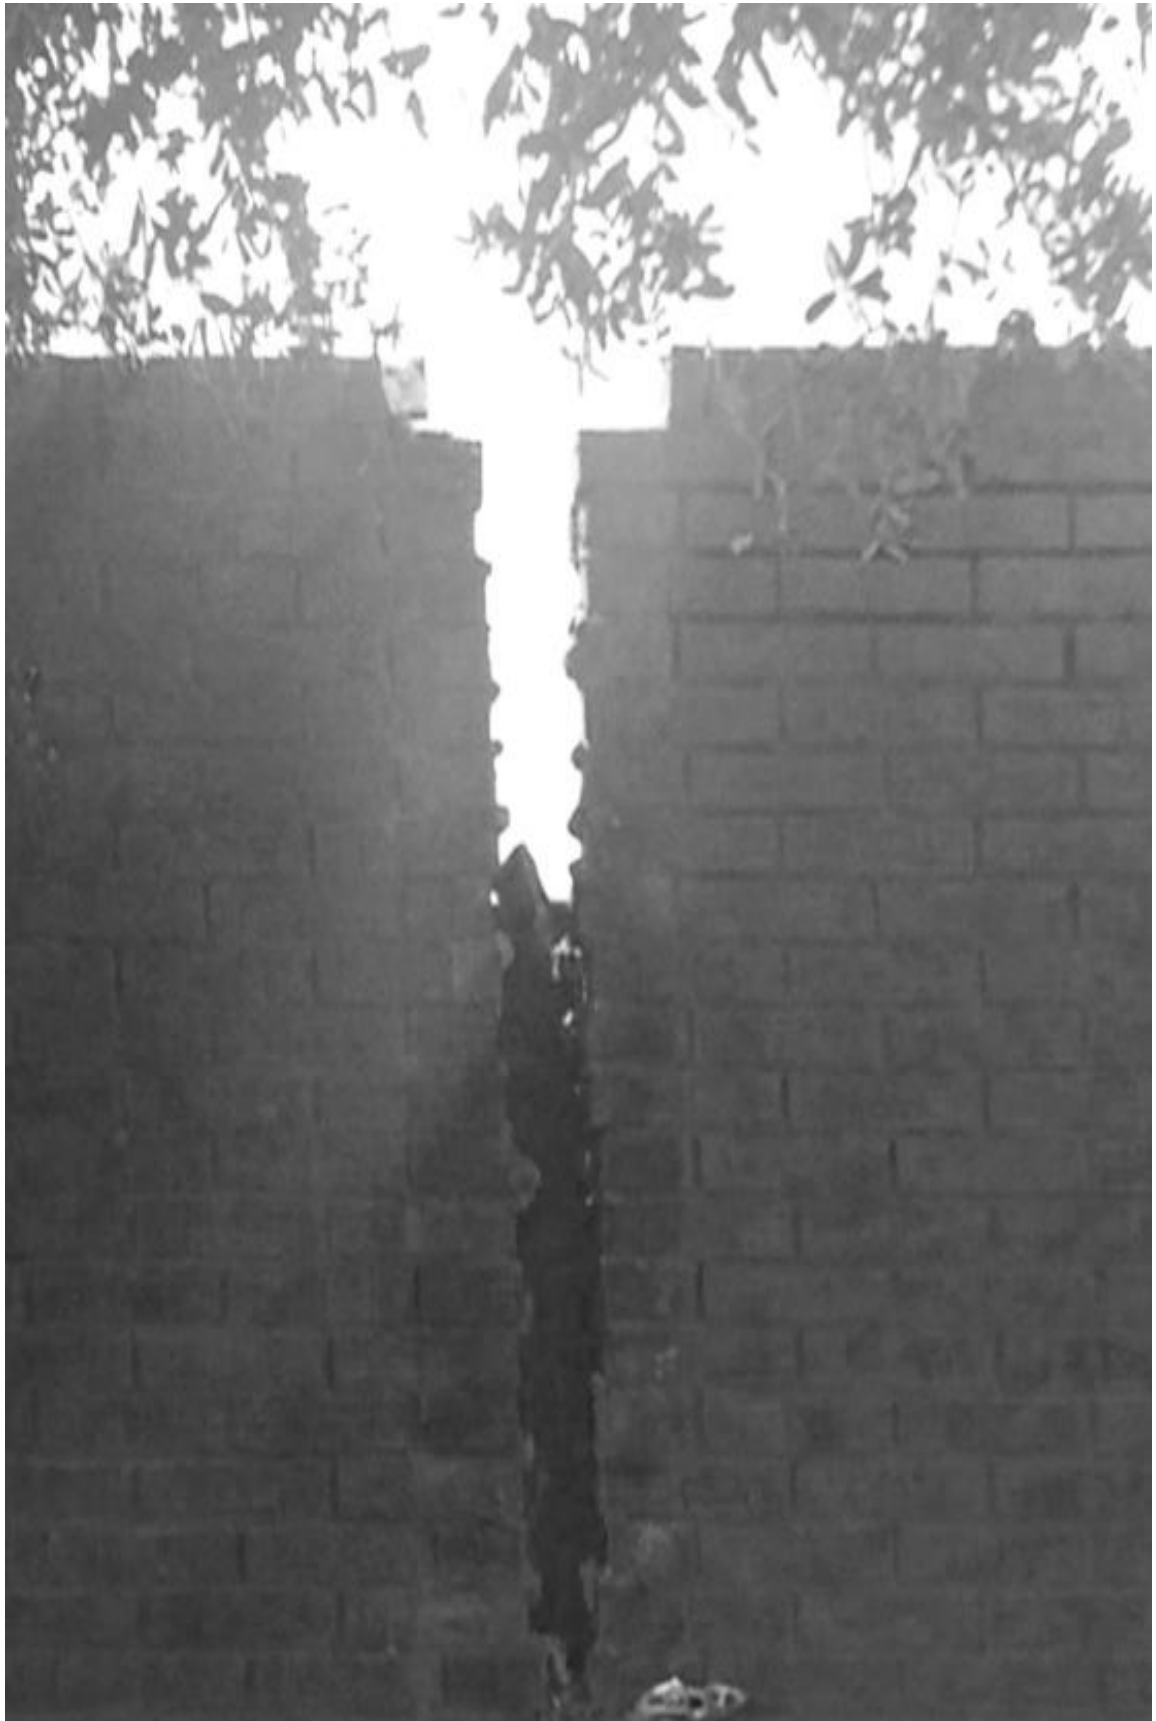

energy inversion vector

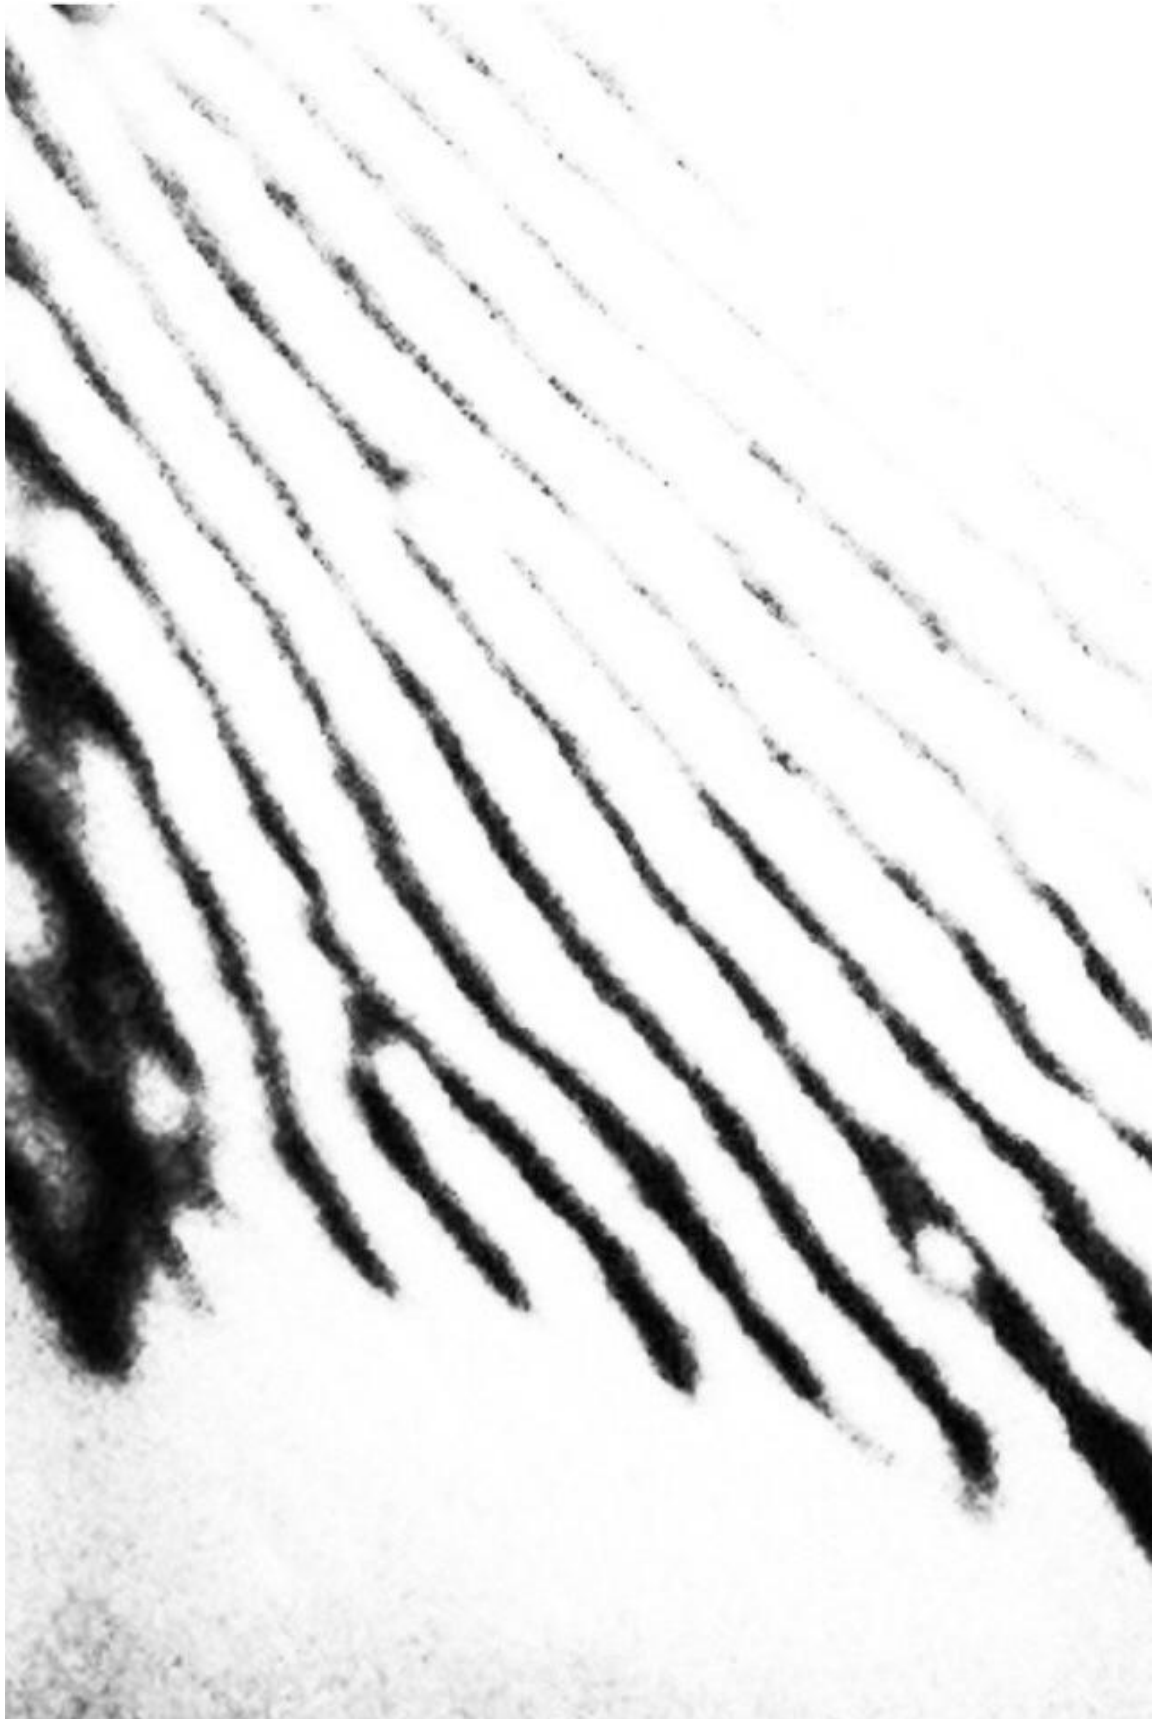

Steering voltage raw conductor

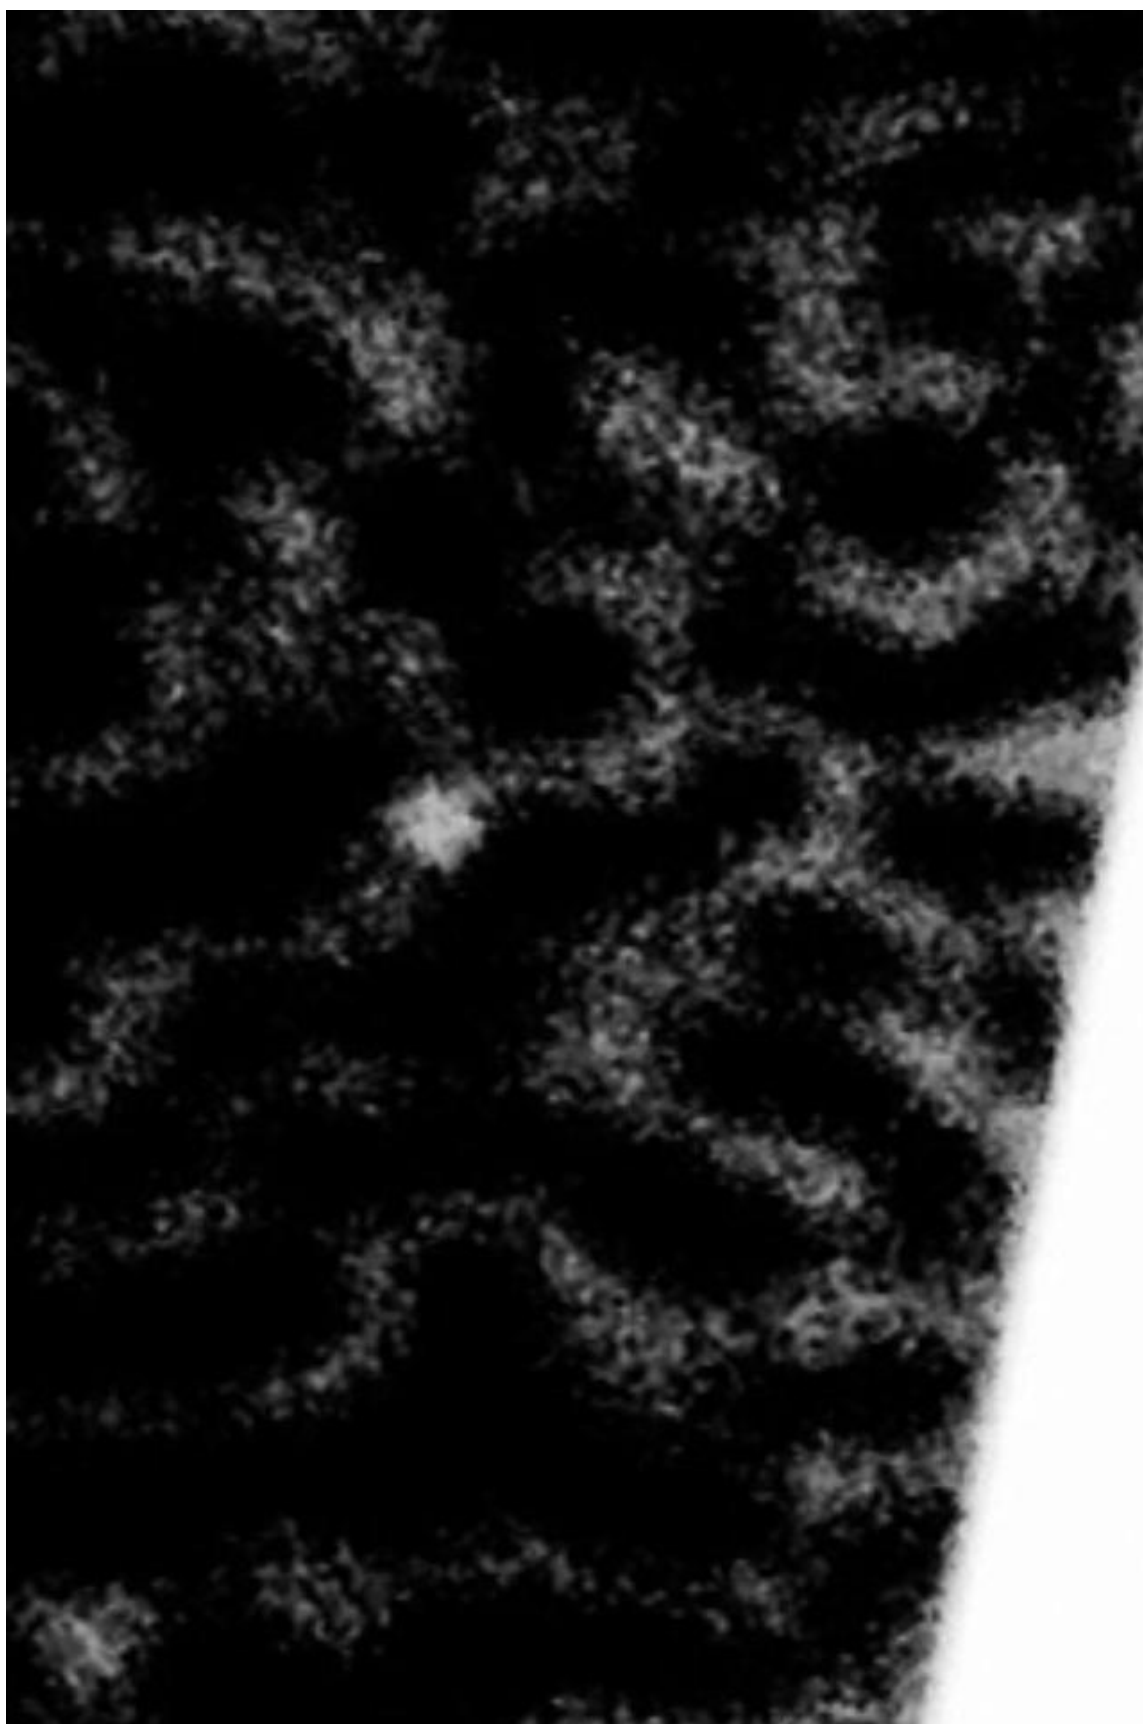

minus out is infrastructure

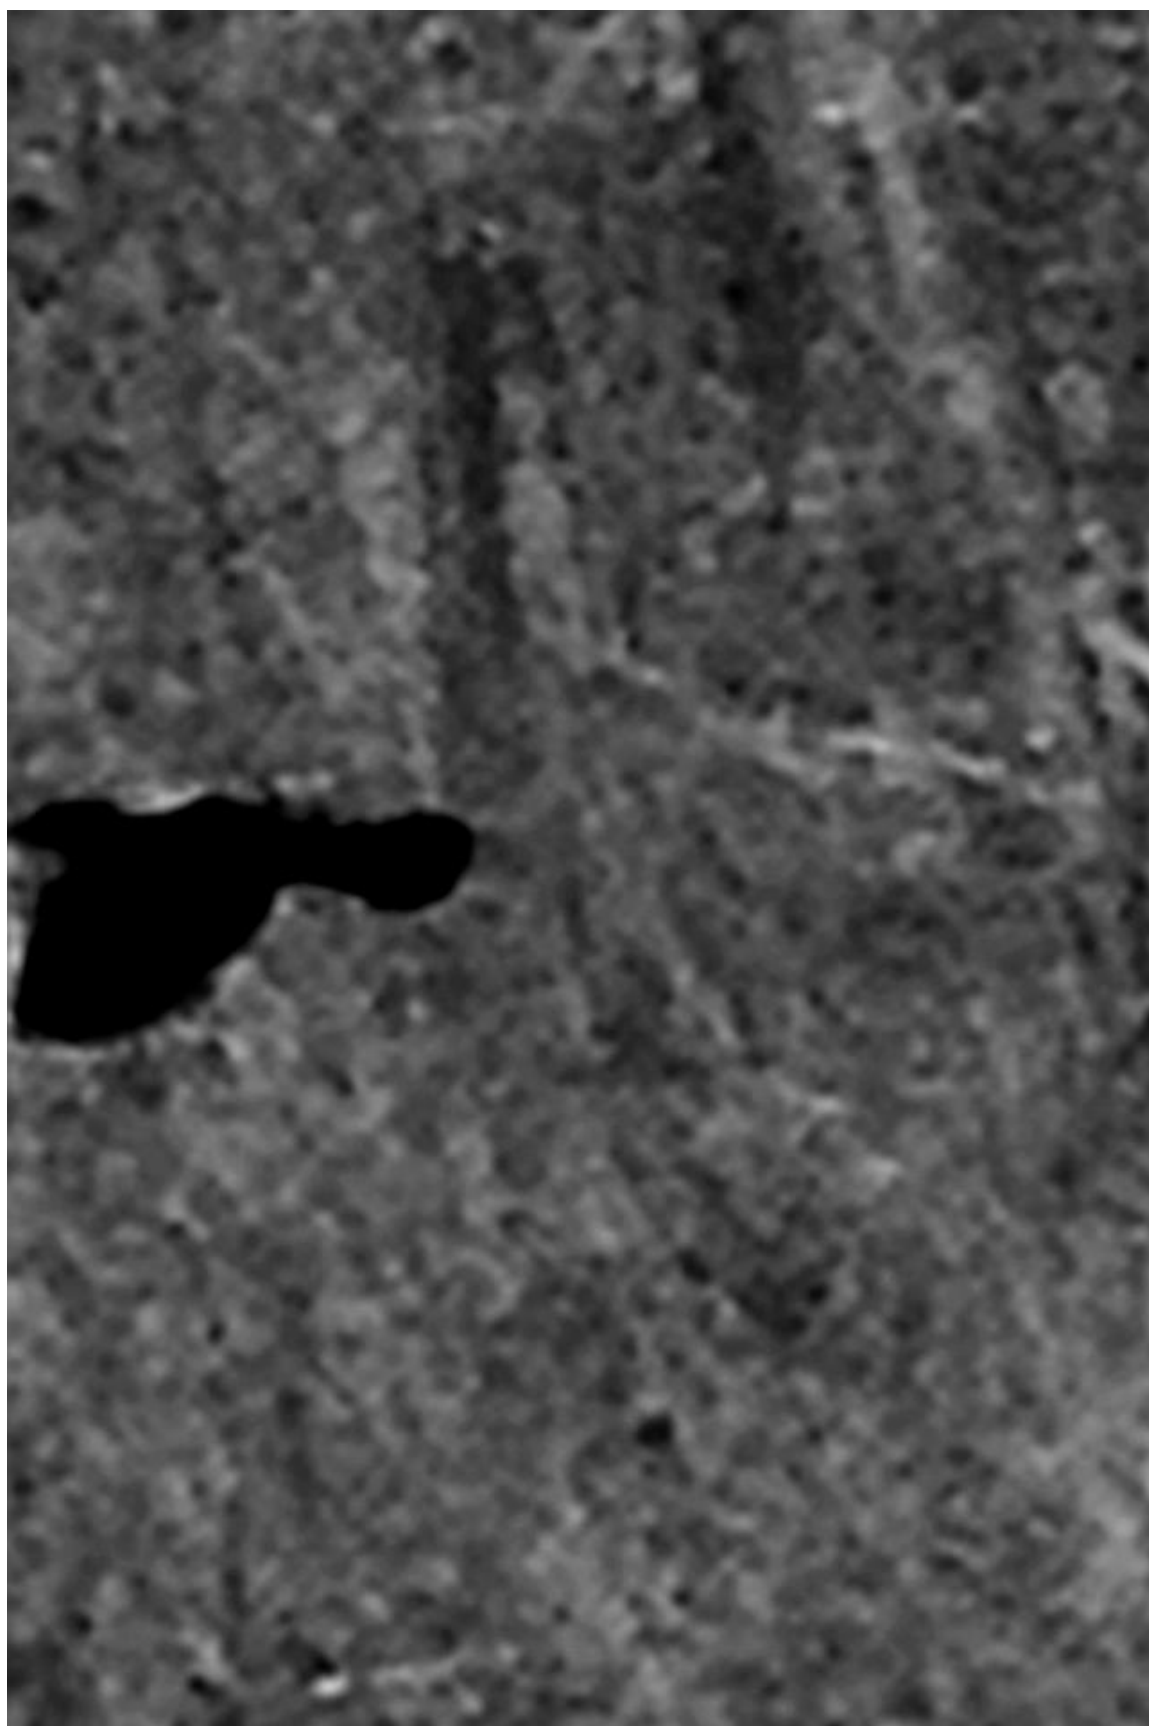

within lies a path discover

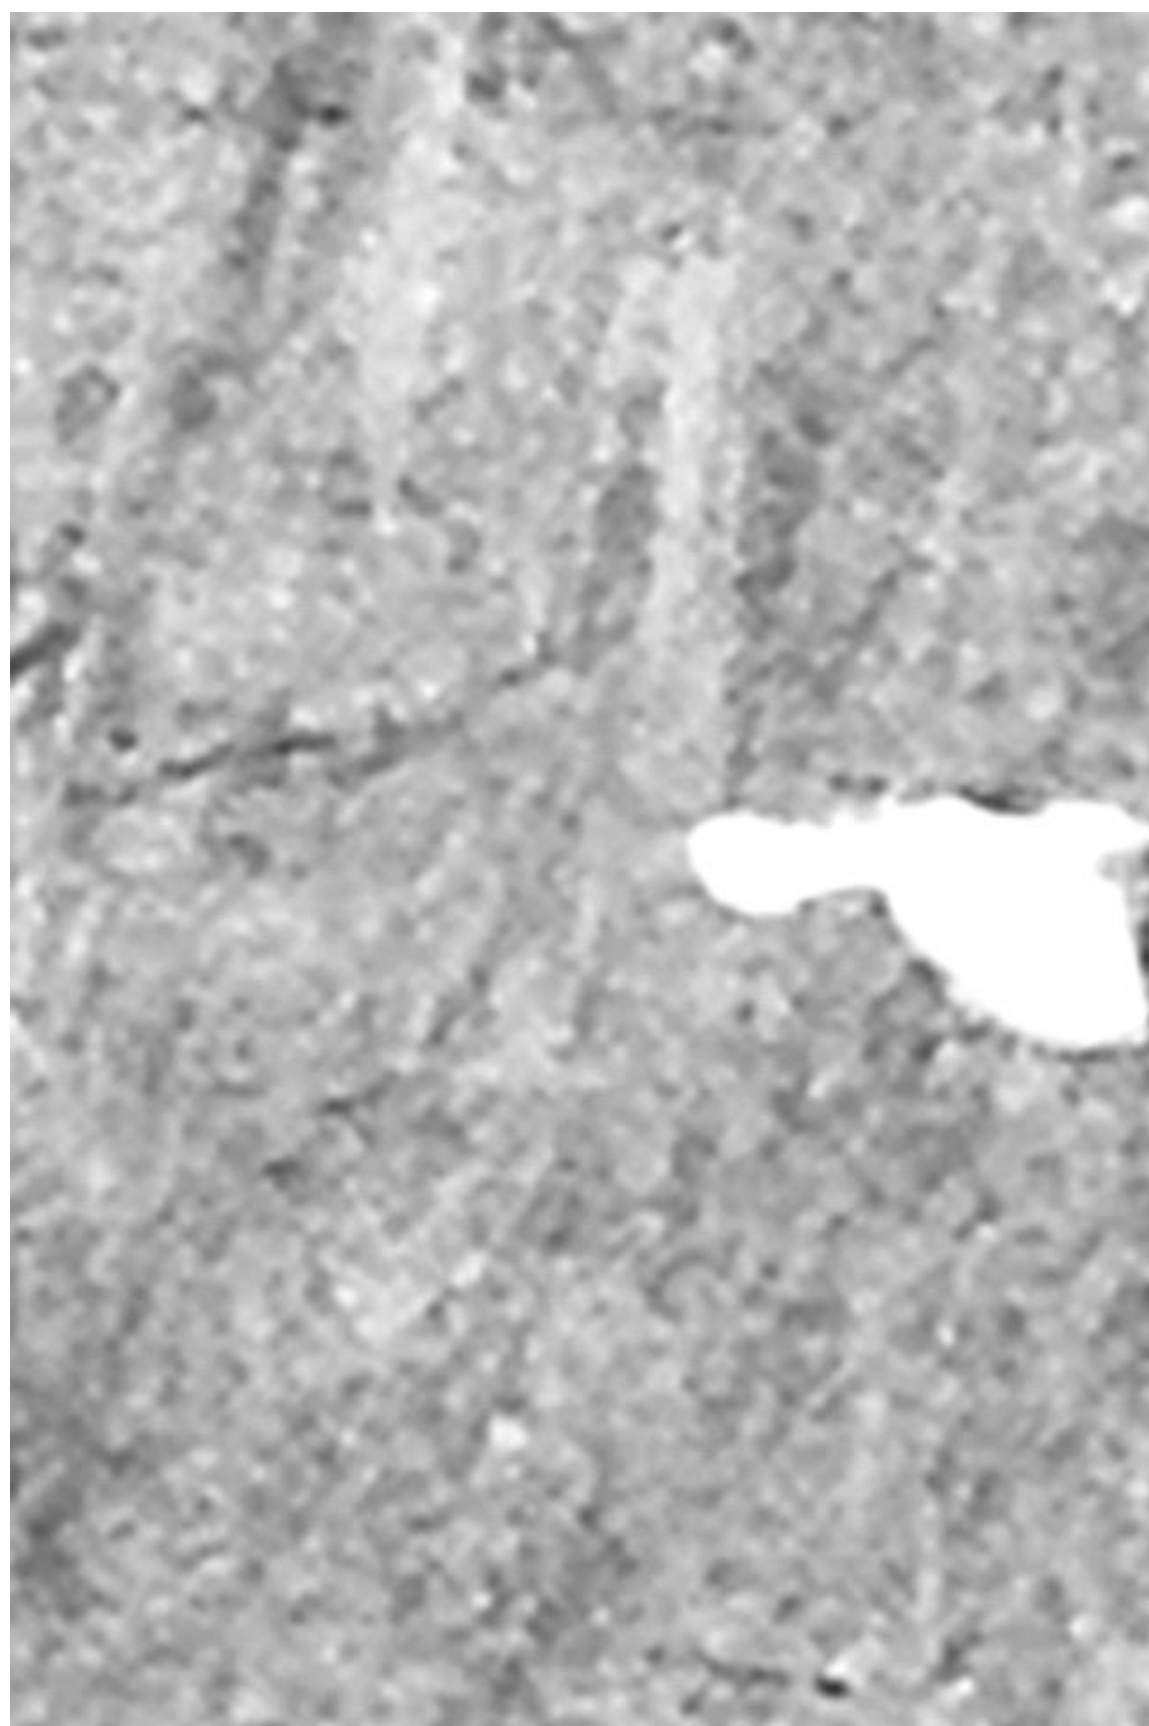

truth that shines in false uncover
